September 6, 2016

Dear Parents/Guardian:

As has been discussed through various communications and parent meetings, NYSED allowed students who took the Algebra 2 CCSS Regents in June, 2016 to also have the opportunity to take the Algebra 2/Trigonometry (A2T) Regents in either June, 2016, August, 2016 or January, 2017. This is an optional exam.

Syosset will be offering review classes for any student who wishes to prepare for the January, 2017 A2T Regents. These classes are optional; no attendance will be taken, and students can choose which sessions they wish to attend. Classes will be offered Monday through Friday, before school from 6:50 to 7:30 a.m. and after school from 2:30 to 3:10 p.m. All sessions will be in Room E14. Attached is the schedule of topics to be taught and reviewed. Please be aware that the same topic will be taught daily in both the morning class and afternoon class.

Even though attendance will not be taken, students are expected to arrive on time and stay for the entire class.

Your child will also need to register for the January, 2017 A2T Regents exam by filling out the tear-off at the bottom of this letter and returning it to their guidance counselor.

Sincerely,

Angela Kozlowski,
Mathematics Coordinator K-12
Syosset Central School District

Please return to your guidance counselor by NOVEMBER 30, 2016 if you wish to take the Algebra 2 and Trigonometry Regents on January 25, 2017.
