

Your child is scheduled to take the Algebra 2 Common Core Regents Examination on Wednesday, June 1, 2016 at 8:00 a.m. This test is the culminating exam for your child's current Algebra 2 course.

As was discussed at our parent information meetings (in November and February), your child also has the option to take the Algebra 2/Trigonometry exam on Friday, June 17, 2016. This test was the culminating exam for the old Algebra 2/Trigonometry course. We recommend taking advantage of this option only after your child has had the chance to prepare for the trigonometry portion of the curriculum.

If you wish for your child to take this test, please complete the form which follows and have your child return it to the high school Guidance Office by Wednesday, March 9, 2016.

If you have any questions or concerns, please do not hesitate to contact your child's math teacher or guidance counselor directly.

Thank you for your continued support.

John Durante, Ed.D.
Principal, Syosset High School

Student's Name _____ Student ID # _____

Guidance Counselor Name: _____

I am requesting that my child be scheduled to take the Algebra 2/Trigonometry exam on Friday, June 17, 2016. I understand that this exam is not required to successfully complete the math course for which my child is currently registered.

Parent Name _____ Phone Number _____

Signature _____

This request slip must be in the guidance office by Wednesday, March 9, 2016.
